

**Put Your Favorite Photos on Stunning Ceramic Tile**

**Order your custom-made tiles in a variety of sizes. You can also order tile collages - or multi-tile murals.**

**How to Send Your Images:** Tiles are made from digital files. Send files as e-mail attachments to the e-mail address above, or send them by mail on a CD. To make an 8x10 tile the file size should be set for 8x10 at 250dpi - (three megabytes or larger is preferable). **If you don't have digital images**, a scan of your negative, print, or slide will need to be done to create a digital file. We can do the scanning, or you can have the image scanned and then send us the digital file produced from that scan. If we do the scanning, there is a one-time scanning charge. The charge is just \$12.50 whether we scan one image or more than one image - (see #4 below).

**We'll Improve Your Images for Free:** Minor improvements will be made at no charge. This includes brightening images, enhancing colors, removing minor scratches, red-eye, etc. If the work requested is too involved, we'll quote you an additional charge for technical time before proceeding. We'll also add dates and messages such as "We Love You Grandma", "Happy Anniversary", etc. at no added charge. If we don't think that your tiles will look great we'll let you know, and we won't proceed without your okay.

**Hanging your tiles - hooks are optional:** Since people frequently glue their tiles to frames, place them onto table-top easels, hang them with plate hangers, or adhere them onto walls, we don't automatically add hooks to the back. There is a \$2.00 charge to glue the optional hooks to each tile, (see #2 below).

**Table-top Easels:** You can elegantly display your tiles on our table-top easels, which can be viewed on our website. Two sizes are available - 13" high and 10" high. The 13" easel looks great with vertical 8x10 tiles, the 10" easel works best with 8x10 horizontal images, and 6x8 vertical images. (See #3 below for costs).

**Delivery Time:** For individual tiles and tile-collages, please allow two weeks, for multi-tile murals - allow four weeks.
